REQUEST FOR CERTIFICATE OF CORRECTION

Dear Sir:

Applicant's attorney hereby submits the attached Form PTO/SB/44 requesting correction of Claim 47 of the above-identified patent. The language --dealing a predetermined number of cards to said at least one player to complete each said at least one player hand--has been added to the claim to correct Applicant's clerical mistake. Such language appears in issued Claim 1, but was inadvertently excluded from Claim 47 as evidenced by reference in issued Claim 47 to "an initial player hand" and "said completed player hand" (emphasis added). Such mistake occurred in good faith.

APR 12 2006

As such matter is already included in the specification, Claim 1, and referenced in other sections of Claim 47, the requested correction does not constitute new matter or require reexamination. Such correction also does not affect claim scope.

Enclosed is a check in the amount of \$100.00 to cover the Certificate of Correction fee under 37 CFR 1.20(a). If there are any additional fees incurred with the processing of this Request for Certificate of Correction, please charge them to our Deposit Account No. 23-0830.

Respectfully submitted,

Craig Weiss
